

Louisiana Drinking Water Investigation Resources and Publications

1. LDHH has primary enforcement authority for implementing the national drinking water regulations in the State of Louisiana. LDHH routinely monitors public water systems for drinking water regulatory compliance.
2. LDHH's Drinking Water Watch (DWW) database shows all historical reports of public water systems in Louisiana. DWW contains all inventory, analytical, and compliance and enforcement data. You can access the DWW at <https://sdw.opd.dhh.la.gov/DWW/>.
3. To contact LDHH specifically, please see the following:
